**IV. Parish Information:**

Patti Keesling stated that St. Rose has a history of water getting in the basement when there is a lot of rain. She was wondering if someone had checked on it. Father said he was there last Monday but did not go in the basement.

**V. Church Safety:**

- A. The Archdiocese sent out an email to be on alert during the Holidays.

There was an incident on Christmas Eve which is prompting us to get our safety team together.

Patty has talked to Gary Metroka about procedures to be implemented and there are already new procedures for Sacristans and Greeters.

The doors to the church and the center will be locked after Mass begins and unlocked after Communion.

**B. Safe in the Sacristy:**

We have purchased a small drop safe for collections. This will eliminate the need of teams to go to the bank and offer us more flexibility on when collections are counted.

**VII. Old Business – None**

**VIII. New Business:**

It has been proposed to consider purchasing the property north of the back parking lot to prevent us from being land-locked. The sale of the property is currently pending. We were asked to be notified if the deal falls through. The current asking price is \$64,000.

Bill asked how we would pay for the property. Patty mentioned that ADLF funds would probably be used but that Finance Council would discuss if Parish Council approved.

Janna made a motion to acquire the property if it becomes available, Bill seconded it. The consensus was to proceed. The motion will be given to the Finance Council.
